

## **What is my role in recycling?**

Our project is about recycling and how it affects our lives. Our booth focuses on the importance of recycling and how you can do your part to make this a better place. Did you know that most of our trash can be recycled? Yes, almost all of our trash can be recycled. Learn how to recycle efficiently and get more tips on what can be recycled. Our booth created a house out of recycled materials as we talk about how to reduce, reuse and recycle.

Come see and visit our booth.
